

ADULT LEARNING MINISTRY

Our purpose is to provide a continuing program of Christian education, faith enrichment and community awareness for our adult population in this parish. This will include: scheduling different speakers and topics for our Sunday morning forums; taking suggestions and helping to plan for special speaker events, workshops and retreats; and planning a faith enriching, year-round program of bible studies and round-table discussions on issues of faith and life.

Faith development and the consideration of its influence on our lives is a life long journey. Some answers probably seem more straight-forward than others, but our intention is to provide the opportunity for questions to be asked and honest discussion to take place in a safe environment. We want to offer learning opportunities that engage people all along the continuum of comfort in their biblical/faith knowledge. Our goal is to assist adult men and women in their faith development to the degree that they want to participate.
