

## **EDUCATION AND YOUTH MINISTRY**

Our purpose is to provide a foundational program of Christian education, faith enrichment and mission awareness for the children and youth of this parish. This will include the important tasks of helping them become familiar with the bible, gain an understanding of Christian beliefs and our Lutheran heritage, and see the connections between bible teachings and their life.

Specific arenas that we oversee are Sunday School, Confirmation and Vacation Bible School. We provide leadership and help assist with program planning, make sure resources are available, encourage, and aid in the recruitment of volunteers. Our goal is to engage this wide age range of our young people with stimulating programs that engage them where they are at in their learning level.
